

# The Clark John Edward Schulte Memorial Scholarship

This scholarGIFT fund was created in memory of Clark John Edward Schulte.

Clark attended St. Jude of the Lake Catholic School and Mahtomedi High School. He became an Eagle Scout for Troop 433. After high school, he went on to become a Bulldog at the University of Minnesota- Duluth. Following his college graduation, he worked as a mechanical engineer at a leading health care company. Clark was an outdoorsman, who loved to go camping, fishing, hiking and singing by the campfire. More than anything, Clark put his family at the center of his life. Clark was known for his faith, generosity, friendship and love for all things outdoors. In establishing this scholarship, Clark's family and friends wish to recognize the impact a Catholic education and the love of the St. Jude School community made in his life.
